Practice Planning And Benchmarks

Development and ongoing support designed for new medical or dental start-up practices

Whether you are in the beginning stages of the practice or newly opened, we work with you on a hybrid level, which means we work with you remotely as well as physically in the office. We believe in being hands-on to guide you and your team to ensure you are set up for success!

- Assist with business development and planning strategy
- integrating provider vision and core values into practice
- Determining a mission statement for the provider and practice
- Start-up credentialing and contracting
- Software and billing services
- Track milestones from the opening of practice and thereafter
- Develop best practices for your practice manager and team members
- Management & Leadership Training
- Staffing and setting up payroll
- Create job descriptions for team members in the practice
- Create processes and systems for practice (operations manual)
- Office and medical supplies.
- Remote and in-office visits
- Expense classification
- Reconcile bank account statements & credit card payments (P&L)
- Ensure compliance, OSHA & HIPPA, CLIA, Federal and State
- Marketing, Branding, and website design

Consultant Pricing

Every practice and provider has a unique vision, therefore we create a customized plan that meets the demands of the particular practice.
